

Steven Kyle Huffling

Developer

Web Developer/Director of Web Development

July 2019 - Current

Precision Creative, Marietta, GA

Built and maintained over one hundred websites. Promoted to Director of Web Development after one year. Led a team of developers, content creators, and graphic designers. Overhauled the entire development process transitioning the company away from using prebuilt templates to building custom websites resulting in better site speed and performance. Implemented a structured client onboarding and communication process resulting in improved customer satisfaction and quicker project turnaround times.

Project Manager/Developer

January 2018 - July 2019

Rockhopper, Atlanta, GA

Served primarily as project manager for a medium sized software development company with some duties as a developer. Responsible for ensuring application builds and software enhancements progress as quickly as possible while meeting customer requirements and budgetary constraints.

Web Developer – Contractor

November 2018 - July 2019

Hughes Media, Atlanta, GA

Provided in house web development capabilities for a small marketing firm. Collaborated with graphic designers and project managers in order to deliver mobile responsive and SEO friendly websites to exact specifications.

Lead Business Systems

May 2016 - Aug 2018

Analyst & Programmer/Analyst

Mississippi Department of Education (MDE), Jackson, MS

Tracked performance and success metrics for all Mississippi public school students. Created ad hoc reports for MDE Leadership, the federal government, and the public, describing statewide student assessment and demographic data. Rebuilt, expanded, and improved legacy reports and developed new reports in support of educators and decision makers. Merged two salaried positions into one by automating recurring tasks and requirements. Regularly wrote complex SQL queries and procedures using Oracle developer. Developed expertise in data cleaning, reformatting, and restructuring large data sets into easily comprehensible information. Promoted to Lead Business Systems Analyst after one year.

Transportation Officer

March 2005 - Aug 2013

United States Army Reserve

Served in a variety of roles from ranks E-2 (Private 2nd Class) through O-2 (First Lieutenant) excelling in all positions. Deployed to Kandahar, Afghanistan from March 2011 to January 2012. Served as Container Management OIC within a Battalion forward Operations Cell. Led a team of seven transportation soldiers and was responsible for identification and reporting of frustrated cargo throughout Afghanistan.
